Dear Mr. Diamond:

Re: Extension of Submittal of Response to Division's Permit Review, Morton International, Grantsville Solar Salt Project, M/045/037, Tooele County, Utah

Thank you for your February 3rd letter verifying our telephone conversation of January 25, 1993. You requested a time extension until April 2, 1993, for Morton International (Morton) to submit a written response to the Division's latest permit review document.

In recognition of extenuating circumstances which your letter described, the Division will grant an extension until April 2, 1993 to receive Morton's response.

We appreciate your assistance and cooperation in resolving this outstanding permitting issue.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
